Home Study Program (K through 8th)

Sometimes a child cannot attend our scheduled Religious Education classes due to scheduling conflicts with themselves or their parents. The Home-Study Program offers an opportunity for parents to "teach" their child(ren) at home. Parents receive: a Religious Education Grade Level Textbook (for the student), and a Family Book (with lesson plans). The parent(s) becomes the primary Religious Education Teacher (Religious Education Teacher) for their child(ren). Emails will be sent 4 times a year with links to the online review tests.

The only obligation for the parent(s) and children is that they complete the Unit Chapters, including online unit tests and submit them by the due dates. There will be no class sessions to attend.

*2nd grade is the normal year for preparation and reception of the Sacraments of Reconciliation and Eucharist
**8th grade is the first year of our 2-year Confirmation Program
*** 9th through 12th graders should register for the 2nd year of our Confirmation Program through our Faith Formation Office

***As an integral part of our Faith Formation curriculum, we will be teaching Catechesis for Family Life. This age-appropriate program about Christian living, chastity, character formation, and safe environment training promotes communication between you and your child. These teachings will be incorporated during our normal sessions. If you have any questions or concerns please contact the

Faith Formation Office, 410-256-1630 x151. ***
